

# HACKUCI

May 23 - 25, 2014 @ PeopleSpace

## Welcome to HackUCI

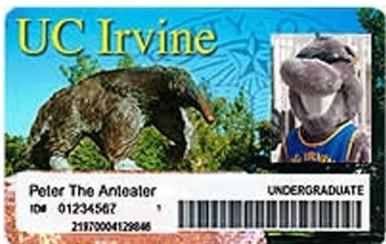

This weekend, we change Orange County forever. Be ready for 36 hours of your life you will never forget as the hackathon community watches us close the spring collegiate hackathon season.

As promised, we take care of everything. Just hack.

Follow Us:

## THINGS TO BRING

Valid ID

Hacking Supplies

Eventbrite Ticket

Sleeping Bag (for the weak)

Toiletries

Change of Clothes

## Rules and Guidelines

- Teams can consist of a maximum of 4 people.
- All hacks must begin at the event with no prior code written.
- Third-party APIs and libraries allowed only if they're accessible by everyone.
- All hacks must be submitted Sunday at 11am to Challengepost.
- No soldering or open flames.
- No personal WiFi hotspots.
- Avoid downloading and streaming.
- No moving furniture.
- Respect the venue.
